**Being unspoiled land, there isn't much drilling info available online from the State Engineer. The online reporting system does not have as much data as what the Office of the State Engineer has in their files. If you have more questions, it may be worthwhile to call the office at (575) 546-2851 and ask them about wells drilled in the SE1/4 of the SW1/4 and the SW1/4 of the SE1/4 of Section 18 Township 17S Range 13W.**

**You can also view the information online at:  
<http://www.ose.state.nm.us>**

**A reputable well driller may also have information available as well as the cost associated with drilling a well.**
